Welcome to Littlewick Show

This year's event is the 84th Littlewick Show. It was founded by Dr. E.R.D. Maconochie who was a great horse enthusiast. The Show began on a small scale in the village with Dr Mac's friends helping with. the expenses and donating trophies, many of which are still in use.

Those who have been involved with the Show for a number of years look upon the BIG DAY not only as a great outing, but almost as a family get-together.

Several Committee members were around in Dr Maconochie's time. I have been Show Secretary for 51 years and members of the Westacott family cannot remember the days when their farm, storage or equipment was not used. Newer members represent organisations for the young and they keep the committee informed of current needs ... With this in mind, we have added several other activities to our list of attractions. We have also added a wider variety of food outlets to satisfy the diverse requests from the community.

The Peters family, with their children's fairground will be with us on the day. They have been coming for over 40 years. We have watched their children grow up and complete new generations have now joined us.

Many of the trade and charity stands have been with us for many years. No Show would be the same without Dickie Richards and his Punch and Judy Show who comes a long distance to be with us.

The Society aims to provide an inexpensive day out for the entire family, to enable charities to raise funds at little or no cost and to support local good causes as a result. We are very grateful to all who help. The Vice Presidents give assistance in many ways and the sponsors provide a much needed back-up. The Fire Service, Lions Clubs, Rotary Club of Maidenhead Thames, Marlow Rotary Clubs and so many others have helped us. What would we have done without you all?

The Show had outgrown the available fields in Littlewick and needed to move. The 84 years have been divided between Frogmore and Feens Farms in Littlewick. Shotteshrooke Park and the recent field at Braywick where we had been for 34 years. Our thanks to these land owners. You have been great. We now extend our thanks to the owners of Bottle Meadow.

No Show can be a success without the visitors. You turn up with unfailing loyally. We are sure that we have a great day in store for you . .. No family gathering would be possible without its main members. Please come and see for yourselves.

Valerie J. Bosley
