

Enquires regarding future events are always welcome. We are constantly looking for new ideas and for ways in which to improve our show. We also offer trade space at the show and advertising space in our programme.

May I take this opportunity to thank all who have helped in the organisation of this year's show. We are especially grateful to the owners for having allowed the use of this showground.

Finally, our thanks go to all who visit our show and to those who give so generously - without your support the show could not be a success.

Thank you.

Valerie J. Bosley

Hon. General Secretary
